

A.B. MILLER REBEL FOOTBALL Player Sponsorship Fundraiser

Dear Sir/Madame,

Each year our football program relies on supporters such as you to assist us in having a top program. Last year we had one of the most successful seasons in the history of A.B. Miller by advancing to the quarter finals in the CIF playoffs. We are working hard to have continued success & need your assistance.

Our program is currently trying to raise money for equipment for the weight room & new workout gear. Last year we were able to use money donated to purchase several pieces of equipment for practice. People such as you have helped A.B. Miller get top notch facilities and equipment. This is important in running a successful high school football program.

Please assist us by sponsoring a player for \$25. **All individuals/businesses that sponsor a player will receive a personalized poster of that player in addition to having their name (or business name) next to the players picture in the program sold at home games.** Posters will be delivered prior to the 2009 season.

If you have any questions, please contact Coach Martin at 909-472-1282.

Thanks for your continued support of Rebel football.

A Message To You From
JEFF STRYCULA
Head Football Coach
Rebel Football

Thank you for sponsoring the A.B. Miller Football Program. Supporters like you have helped our football program continue to be successful despite the rising costs of equipment for our players. Your generous contribution will help pay for things our budget will not cover.

The Rebel athletes have been working hard preparing for the upcoming season & they have also been doing a great job with their studies.

Our student athlete's success at balancing athletics & academics is a tribute to the positive influences of individuals such as yourself.

Thank you again for the support of our athletes and football program.

Jeff Strycula
